In re Application of	:	
LARSSON, Petter et al.	:	DECISION ON PETITION
Application No. 10/605,637	:	TO EXPUNGE FILED
Filed: October 15, 2003	:	UNDER 37 CFR §1.59
For: METHOD AND ARRANGEMENT	:	
FOR INTERPRETING A SUBJECTS	:	
HEAD AND EYE ACTIVITY	:	

This is a decision on the petition under 37 CFR 1.59(b), filed October 29, 2003, to expunge information from the above identified application.

The petition is **GRANTED**.

Petitioner requests that a document identified as item A1, entitled "Review of European Human Factors Research on Adaptive Interface Technologies for Automobiles", submitted in the Information Disclosure Statement and attached PTO-1449 dated October 20, 2003 be expunged from the record.

Petitioner states that either (A) that the information contains trade secret material, proprietary material and/or material that is subject to a protective order which has not been made public; or (B) that the information submitted was unintentionally submitted and the failure to obtain its return would cause irreparable harm to the party who submitted the information or to the party in interest on whose behalf the information was submitted, and the information has not otherwise been made public. The petition fee set forth in 37 CFR 1.17(h) has been paid.

The information in question has been determined by the undersigned to not be material to the examination of the instant application. Accordingly, the image of the information in question has been expunged from the Official file. However, applicants are required to retain the expunged material for the life of any patent which issues on the above-identified application.

This application is being forwarded to Publishing for processing into a patent.

Any questions regarding this letter should be directed to Supervisory Patent Examiner Thomas Black at (571) 272-6956.
